

EG Networks and Arctic becomes Kamic Networks.

The brand name Arctic, high-quality fiber optic and copper cables, has been marketed on the Swedish market for many years.

Through the merge with Business Unit Networks from EG Electronics, we will broaden our product portfolio. Our effort as sales force: we will continue to strive to be your quality supplier and a reliable partner in our niche.

With high levels of knowledge and quality, in our staff and our products, our customers will know that we are the right partner for a joint growth.

KAMIC networks belong to KAMIC Installation AB (formerly known as TIBE Interconnect AB).

Below is all the information needed to modify your business system to continue our co-operation.
